Approved by:

Recommended by:

ENGR. NICANOR C. ESTEBAN
Chief, Clearance and Permitting Division

ENGR. MARIA DORICA NAZ-HIPE, CESE
Regional Director

Permit Conditions

1. The Plant Manager or the Pollution Control Officer in-charge of the above facility shall keep record of its operations and shall furnish quarterly Self-Monitoring Report of the same to this Office within the first two weeks after the quarter.
2. This Permit shall be automatically suspended and penalty shall be imposed for non compliance with or violation of any provision of the Act, its Implementing Rules and Regulations, and/or permit conditions; false or inaccurate information in the application for permit that led to the issuance of the permit; false or inaccurate information in the monitoring data or in reports required by the Permit to Operate; refusal to allow lawful inspection conducted by the duly authorized personnel of the Bureau; non-payment of the appropriate fees; or other valid purposes.
3. Application for renewal of this Permit must be filed at least thirty (30) days before expiry date.
4. This Permit must be posted in a conspicuous location near the facility and shall be adequately framed or otherwise protected against damage and submit proof of compliance 30 days from date of issuance.
5. This permit is not transferrable, however, in case of transfer of ownership or control of the establishment and/or facilities, the transferee shall notify the Bureau within fifteen (15) working days of the fact of transfer of ownership or control.
