MR. ROMEO A. BALLITO
Complainant
Sitio Dimantal, Brgy. Hacienda,
Bugallon, Pangasinan

Dear Mr. **Ballito**:

This is with reference to your complaint regarding the construction of poultry houses in Sitio Dimantal, Barangay Hacienda, Bugallon, Pangasinan which was investigated by our technical staff last April 10, 2019.

It was alleged in your letter that the construction of the poultry project is not covered by permit from government agencies and the operation will cause negative impact to your health due to the proximity of the farm to your house.

Based on the investigation conducted, the poultry farm project was issued with Environmental Compliance Certificate (ECC) by EMB, DENR Region 1. Likewise, Zoning Certificate and Building Permits were issued by the Municipality of Bugallon, Pangasinan.

As regard to the negative impact of the poultry farm to the health of residents, this was addressed by the project proponent when it presented the mitigating measures to be implemented before the ECC was issued.

The operation of the poultry project still needs some permits to be secured from our office. Rest assured that our office will regularly monitor compliance of the farm w/ the ECC and permits during its operation. Likewise, we have coordinated with the LGU of Bugallon, Pangasinan to strictly implement the sanitation ordinance in order to avoid the nuisance from the operation of the poultry farm.

For your information.

Very truly yours,

ENGR. MARIA DORICA NAZ-HIPE, CESE

C. Findings and Observations:

1. The investigation was conducted in coordination with CENRO Dagupan representative, Municipal Engineer of Bugallon, Pangasinan and the Barangay Captain of Hacienda, Bugallon, Pangasinan.
2. The poultry farm project is on-going construction. It consists of 3 units tunnel ventilated buildings. The first building is nearing completion while the other 2 buildings is still under construction. Each building will have a capacity of 32,000 birds. The construction of septic tank for wastewater generated was completed and 3 earth lagoons was noted on the southern portion of the farm.
3. The construction area is confined within the lot owned by the farm. The poultry farm has a total land area of 148, 697 square meters. However, the project proponent has produced additional areas orchard.
4. The farm is situated approximately 235 meters away from the house of the two (2) complainants.
5. The Dimantal Elementary School is approximately 685 meters away from the farm and all the adjoining area are land farms and orchards.
6. The farm was issued Environmental Compliance Certificate on November 21, 2018 and Building Permit by the LGU.
7. Noted inside the farm area are two (2) ECC billboards and the temporary granter of the owners and the construction workers.
8. Construction of riprap on sloping areas of the farm is being implemented. Planting of coconut and other trees surrounding the farm was implemented.
9. The exhaust fan of the poultry building are positioned towards the western side which is in opposite direction from the residents of the complainants.

D. Remarks:

1. A consultation before the poultry project started construction was made last July 12, 2018 regarding the possible relocation of the settlers (complainant) since the lot is for sale. According to the Barangay Captain, the settlers are from Benguet who settled on the private land covered by Transfer of Certificate Title (TCT) owned by Mrs. Lorna Yari Santos.
2. The lot was sold to Mrs. Rosalina Mapoy by Mrs. Lorna Yari Santos.
3. The poultry farm has designated Ms. Princess Mar G. Veniegas as the Pollution Control Officer and was accredited by EMB-1 last March 18, 2019.
4. The allegation that the poultry project has no permit from the government agencies is not true since an Environmental Compliance Certificate (ECC), Zoning Certificate and Building Permit was issued to the project.

E. Recommendation:

1. The operation of the poultry farm should be regularly monitored by the LGU to check the impact of the project especially on sanitation aspect.
2. To require the project proponent to secure Permit to Operate Air, Wastewater Discharge Permit and to register as Hazardous Waste Generator once the farm start its operation.
3. To inform the complainant of the results of investigation.

RECEIVED

Mahal Naming Sekretaryo:

Pagpupugay mula sa aming taga Sitio Dimantal, Hacienda, Bugallon, Pangasinan.

Kami pong nakapirma sa ibaba ay mga residente ng Sitio Dimantal, Hacienda, Bugallon, Pangasinan.

Tahimik at payapa po sa aming lugar hangang itong huli na may nagpupumilit na magpatayo po ng poultry farm. Tinututulan po namin ito kasi alam namin na ito po ay di maganda sa aming kalusugan dahil ang aming mga bahay ay malalapit lang.

Sumulat po kami sa aming Punong Barangay para po ipaabot ang aming pagtutol pati na rin sa opisina ng Community Environment and Natural Resources sa Dagupan City pero pinilit po nilang umpisahan na magpatayo ng gusali para sa kanilang poultry.

Sa aming pagkakaalam ay ang nagpapatayo ng nasabing gusali ay si ROSALINA MAPOY at RODOLFO VENIEGAS.

Na ang pagpapatayo na ito ay walang kaukulang permits sa ahensiya ng Gobyerno pero ito po ay naipipilit nila sa tulong at patnubay ng aming Punong Barangay na si Warly C. Soriano.

Na ang pagpapatayo po ng gusali ng poultry na ito ay dapat pong ihinto at dapat pong di payagan.

Kami po ay nagsusumamong humihiling ng tulong sa inyong Mabuting Opisina para tulungan po kami sa aming problema na ito para mapahinto po ang pagpapatayo sa nasabing gusali.

Inilalakip po namin ang mga sumusunod:

Sulat namin sa aming Punong Barangay
Sulat namin sa opisina ng CENRO-Dagupan at
Mga larawan ng pinapatayong gusali

Maraming salamat po sa pagbibigay ng konsiderasyon sa aming
sulat at kami po ay umaasa sa inyong tulong.

Mabuhay po kayo.
